GCSE Results Published Today

Dear Parents / Guardians,

Following the letter I wrote to you on Wednesday, the Government made a further announcement regarding the publication of results today. I can confirm that the results your child received today are their FINAL results. There will be no further results awarded next week.

The only exception to this lies in the publication of Cambridge Nationals & BTEC qualifications. We were asked late last night not to share these results with pupils. As yet we have no details on when they can be shared. Please be assured that as soon as we are able to we will email these directly to pupils.

Please use the email address below if you have any queries. We will try our best to respond to you in a timely manner.
