Breakfast Club and Study Support Club

Dear Parents / Guardians,

Further to our 'Preparing for September' letter dated 15th July 2020, we would like to provide further information for those parents who do wish to use the wrap around provision. We ask that parents only use the Breakfast Club and Study Support Club where this cannot be avoided. We have a limited capacity for these services, therefore we would like to ensure that those students who depend upon the provision can still access it. Study Support Club is to be used by students who do not have access to IT facilities at home, or who require assistance with their homework.

Breakfast Club will begin at 8.00am in the Dinner Hall. The maximum capacity for this service is 50 students. Parents must book a place for Breakfast Club by contacting the School Office on 0191 499 0111. Slots must be booked 24 hours in advance and cannot be booked on the same day.

Study Support Club will begin at 3.45pm in the Library. The maximum capacity for this service is 30 students. Parents must book a place for Study Support Club by contacting the School Office on 0191 499 0111. Slots must be booked 24 hours in advance and cannot be booked on the same day.

If these services are oversubscribed we will introduce a rota system to ensure fair access to all students.

Thank you for your ongoing support.

Yours sincerely,

Mrs J Turner
Deputy Head Teacher
