Autumn Term Exam Series

Dear Parents / Guardians,

As you will be aware there is an opportunity for pupils to sit examinations in the Autumn Term. As it stands we have been told that KS5 examinations will be in October and KS4 examinations in November, however dates have not yet been released.

This morning I sent a link to a Google Form to all Year 13 and Year 11 pupils to register for the opportunity to take examinations. It is imperative that this is completed by **Friday 4th September**. If pupils have not received this email, it can be accessed using the link below.

Thank you for your support over the last few weeks.

Kind regards

Mrs J Turner
Deputy Headteacher
