

Work INSPIRATION

Gateshead

Opening up the world of work across Gateshead every month.

What's in this issue:

- Welcome to the newsletter
- What is a key growth sector?
- Business Roundup
- Career Spotlight

Welcome to our newsletter

Welcome to our brand new Work Inspiration Gateshead newsletter! In this monthly digital publication, Our aim is to bring the world of work to life by sharing fascinating industry updates and information about how to access some of the exciting career opportunities we have in the region.

Choosing the right path for you can be tricky, we will help you understand what you options are and give you information about higher education, apprenticeships and everything in-between.

In our first issue, we will introduce you to current opportunities and events, with an exciting local business featured each month. Choosing the best path for you into higher education or an apprenticeship can be tough if you don't know what's out there, and the North East has some incredible businesses and opportunities that we want you to know about!

If there is anything else you would like to know about, please get in touch at jill.mckinney@sunderlandsoftwarecity.com

What is a key growth sector?

Work Inspiration Gateshead is all about providing you information not only about amazing career opportunities in key sectors but also helping you understand how you can access these.

Key sectors are industries that are doing really well in that area, and as such are of great interest by local government to support and continue the growth of, Gateshead is no different.

With a vibrant and diverse set of industries to choose from, Gateshead has a wide range of businesses growing and creating new opportunities for people to move into, now and in the future.

Gateshead's key growth sectors:

- Health and Social Care
- Engineering and Manufacturing
- Cultural and heritage
- Oil and Gas
- Financial
- Travel and Tourism
- Construction

Through this newsletter we aim to focus and cover each of these key sectors as we explore the diverse range of careers and businesses that are on your doorstep.

Business Roundup

Having so many key growth sectors to talk about makes it impossible to tell you everything in this one issue! So we have chosen just a few of the amazing businesses that work in and around Gateshead that fall into these sectors:

Akzonobel

a multinational company which creates paints and performance coatings for both industry and consumers worldwide.

Beamish

a museum to preserve an example of everyday life in urban and rural North East England at the climax of industrialisation in the early 20th century.

Engie

a leading energy and services company focused on three key activities: production and supply of low carbon energy, services and regeneration.

Lloyds Bank

a British retail and commercial bank with branches across England and Wales. It has traditionally been considered one of the "Big Four" clearing banks.

Aspire Technology

one of the fastest-growing IT companies in North of England. They provide a range of services from Connectivity to IT Support.

Did you know that in Gateshead there are many industries that are key growth areas, such as health and social care, hospitality or digital. All are growing rapidly and have great career options available.

Career spotlight

Each month we will shine a spotlight on a career in one of the growing industries within our region, This month is:

Care Assistant

The fact that you're thinking about becoming a care assistant makes you part of a special group of people - the most compassionate and interesting people we know. There are many reasons why people become care assistants, but the main motivation is the chance to make a difference. And that's just what you'll be doing when you work with us. You'll become part of our incredible team, helping us deliver emotional and practical care to vulnerable adults and transforming their lives on a daily basis.

Relevant Experience

- Caring, compassionate and a good listener.
- An energetic, happy person who enjoys forming relationships with all sorts of people
- Happy to offer support with a range of tasks, including personal care, preparing meals, administering medicine, shopping and light household duties
- Able to access a vehicle (or - depending on where you're based - willing to use public transport to travel between homes)
