

16th November 2021

Dear Parents or Guardians,

Cancellation of the 835 Afternoon Scholars Service

We have today received notification from Nexus that they have had to review the school transport provision due to some operators unable to continue providing services. To enable Nexus to operate an efficient schedule they have had to withdraw the 835 pm scholars.

They have informed us that they have done this due to the low passenger count and the small inconvenience to students travelling time.

These changes will commence on Monday 22/11/21. Students who currently travel on the 835 pm service can utilise either the 845 or the 854 to complete their journey home.

I have attached the new afternoon bus timetables below.

If you have any queries regarding this then please contact Nexus on 0191 2020 747

Thank you in anticipation of your understanding.

Yours sincerely,

Mr R Lennox

Assistant Headteacher
