### January Testing - Reminder of Information

Dear Parents / Guardians,

Thank you for your support in meeting the deadline for completing the consent form for all those wishing to take part in the January onsite testing.

Many of you have requested access after this, therefore we have reopened the form but it will close at 12.00pm tomorrow. This will allow us enough time to prepare fully for the testing process.

Please use the link below to complete this by then if you wish your child to be tested on site.

All information regarding the schedule and return to school dates can be found in my previous letter, link below.

Can I please ask that if your child is not being tested on school site that you use one of the lateral flow tests distributed yesterday to test your child before they return to school.

I hope you have a restful and merry Christmas.

Yours sincerely

Mrs J Turner  
Deputy Headteacher
