### Key Stage 4 Options Process

Dear Parents / Carer,

It is at this time of year that we would typically invite you to school to begin the Key Stage 4 options process. Unfortunately this year that is not possible, therefore we have had to adapt our process, and created an online version of the initial parental information session for you and your child. During this presentation you will hear information from myself on general curriculum and assessment then more specific information from Mr Shield on the options process.

Please use the link below to access all key information:

#### KS4 Options Page

<https://www.stthomasmore.org.uk/ks4-options/>

In addition to this information, all year 9 students will receive an email from Mr Shield with information regarding pathways and the options process. Before half term students will receive a second email with a link to the options form.

As always if you have any questions please feel free to get in touch.

Yours sincerely

Mrs J Turner  
Deputy Headteacher
