Dear Parents/Guardians,

Non Uniform Day for Ukraine

I am writing on behalf of the school community and the Ukraine appeal. I would just like to start by thanking all of those that have donated and done their part in helping our appeal and the Ukrainian people. As we all expected, our school has once again gone above and beyond for those in need.

As a school we have so far raised just over £2200, which is amazing, and will contribute this to the donations made by the many millions around the world that have realised the dire situation these people have been left in.

This Friday we have organised a Non Uniform Day to raise more money for the Ukrainian appeal. This appeal is now even more close to our hearts as we have two Ukrainian refugees joining our school community this week. As a school we have always tried to help those in need in our very own community.

It would be great if your child gets involved this Friday by not only donating £1 to the appeal, but by wearing a blue and yellow themed outfit if at all possible. Payments can be made in advance of Friday via ParentPay.

Once again I would just like to thank you for your donations so far and ask you to keep Ukraine in your thoughts and prayers. Let's hope we can continue to help the people of Ukraine in any way we can no matter how small it is.

Yours faithfully
