

10th June 2022

Dear Parent/Carer,

Relationships, Sex and Health Education (RSHE) became statutory in all secondary schools in England this academic year. We deliver RSHE as part of our Wider Curriculum.

In our Wider Curriculum lessons we use Life to the Full by Ten:Ten Resources, a complete programme in RSHE. Ten:Ten is an award-winning Catholic Educational Organisation that is well-respected and used across our Trust and Diocese. Ten:Ten work with the Catholic Education Service and the Department for Education to provide training for teachers and have high quality resources. Therefore, we are confident that this programme is a very good fit for our school.

Ten:Ten have provided an online parent consultation tool which will allow you to have a look at the program. It is a simple-to-follow, short online course which:

- Outlines the statutory changes that have taken place;
- Articulates a vision for Catholic Relationships and Health Education;
- Explains how Life to the Full aims to help us fulfil the statutory curriculum with a Catholic ethos;
- Provides some information about key decisions we need to make, in consultation with parents;
- Answers some Frequently Asked Questions.

Ten:Ten has also provided an Online Parent Portal which is a tool we can use throughout the year to keep you informed and updated about the work we are doing in school.

You can access the Parent Consultation Tool here

[www.tentenresources.co.uk/parent-consultation-secondary](http://www.tentenresources.co.uk/parent-consultation-secondary) you will need to use the following login details for our school:

As well as consulting on the Ten:Ten resources I would like to invite you read our [Relationships and Sex, Education Policy](#) that has been recently reviewed. If you have any feedback on this policy please email Mr Wood ([nwood@stthomasmore.org.uk](mailto:nwood@stthomasmore.org.uk)), before 24th June.

Yours sincerely,

Mr. J Parkinson
