

28th September, 2022

Year 11 Parents' Evening, Thursday 6th October, 5.30pm
Supporting your child as a learner

Dear Parent / Carer,

I hope that you and your families are well and are settled into the routines that the new academic year brings. It has been fantastic to see what a positive start the children have made to Year 11, a year which often represents a significant milestone in their educational journey, as they prepare for their upcoming external examinations.

I would like to invite all parents and carers of Year 11 students to an information evening on Thursday 6th October, 2022 at 5.30pm. We recognise that for many young people the process of sitting external examinations can be a daunting one, and we value the role that you can play in helping them to develop the attitude and approach required to do their very best. The purpose of this evening is to ensure that you have all the information that you need in order to support your child as effectively as possible.

The evening will cover:

- Key dates, such as periods of mock examinations and of course, the final external examinations.
- Expectations of students as they make their preparations.
- Guidance for parents and carers in how to support your child, including ways to support them academically, physically and emotionally.
- Details of the strategies and support we have in school to help your child achieve their potential

We would be delighted for you to join us. The evening will be held in the Main Hall here at St Thomas More Catholic School, and as usual parking will be available on the main yard, accessed via the Croftdale Road entrance.

I look forward to welcoming you then.

Yours faithfully,

Mrs C Lennox

Deputy Head Teacher
