Year 10 Parents' Evening - Thursday 20th October, 5.30pm
Supporting your child as a learner

Dear Parent / Carer,

I hope that you and your families are well and are settled into the routines that the new academic year brings. It has been fantastic to see what a positive start the children have made to Year 10, a year which often represents a real milestone in their educational journey, as they begin the courses and preparation for their external qualifications.

I would like to invite all parents and carers of Year 10 students to an information evening on Thursday 20th October, 2022 at 5.30pm.

The purpose of this evening is to share with you some key information and messages about how you can support your child through their GCSE and vocational courses throughout Key Stage 4.

The evening will cover:

- Key dates, such as periods of formal assessment
- Expectations of students in Key Stage 4
- Guidance for parents and carers in how to support your child, including ways to support them academically, physically and emotionally.

We would be delighted for you to join us. The evening will be held in the Main Hall here at St Thomas More Catholic School, and as usual parking will be available on the main yard, accessed via the Croftdale Road entrance.

I look forward to welcoming you then.

Yours faithfully,

Mrs C Lennox
Deputy Head Teacher
