Year 9 Virtual Parents' Evening - Thursday, 8th December 2022

Dear Parents / Carers,

I would like to invite you to attend the Year 9 Virtual Parents' Evening, details are as follows;

Date: Thursday, 8th December 2022

Time: Between 3.50pm - 6.30pm (please book appointments, see below)

Venue: Virtually via School Cloud

The evening aims to provide you with an opportunity to virtually meet with your child's subject teachers, discuss their progress, their future option choices and ask any curriculum based questions that you may have.

In recent years we have used an online package that has proved to be a great success in supporting parents and school staff to communicate effectively and efficiently. With this in mind all parents' evenings will be held via an online package called 'School Cloud' which allows parents to book an appointment with staff online, and meet virtually via video conferencing.

A key part of making this successful for yourselves is the booking system. [Please click on this link for instructions on how to book your appointments.](#) Due to demand we ask that each parent only books in with a maximum of 5 teachers initially. We will then open up appointments that remain 3 days prior to the parents' evening.

Parents are able to book appointments from 6.00pm on Monday, 21st November 2022 until midday on Thursday, 8th December 2022. Please remember that if you would like to book further appointments in addition to the initial five allocated slots, then please check availability from Tuesday, 6th December 2022.

As always if you have any queries please do not hesitate to get in touch using the pastoral email addresses below.
