Year 11 Study Leave

Dear Families,

We have been very impressed with the commitment and hard work demonstrated by our Year 11 pupils so far during the external examination period.

I am writing to confirm the arrangements for students' remaining examinations and plans for the final few weeks.

Wednesday 12th June

- Up to and including Wednesday 12th June, students are expected to attend school as normal. Wednesday 12th June includes drop-downs for pupils who study Geography and all pupils will have a Physics drop-down, as well as regular timetabled lessons.
- There will be an opportunity at the end of Wednesday for pupils to sign shirts with their peers. If pupils wish to get their shirt signed, it is essential that they bring a spare shirt for this purpose. Pupils must not attempt to sign shirts prior to the arranged time, 30 minutes before the end of the school day.

Thursday 13th June onwards

- From Thursday, all pupils are permitted to study from home if they choose, when they do not have an exam. However, they are strongly encouraged to continue to attend the warm-ups and drop-downs as outlined in the revised plan below. These sessions will provide invaluable teacher input to support revision prior to examinations.
- If students choose to revise at home, they must continue to arrive in school when they have a morning exam by 8.40am at the latest and for afternoon exams they must be in school no later than 12.30pm.

Can I please take this opportunity to remind you that if you are giving your child permission to study at home as opposed to school, you are responsible for their safety and wellbeing during that time. If you do not wish your child to study from home at all, you must let us know and we will continue to follow first-day response procedures for attendance.

WK B	Monday (10-6-24)	Tuesday (11-6-24)	Wednesday (12-6-24)	Thursday (13-6-24)	Friday (14-6-24)
8am Booster	Maths Warm-up	Chemistry Warm-up			Geography Warm-up
L1	0900, Mathematics, 1h30m	0900, Science Chemistry, 1h15m / 0900 Chemistry, 1h45m	Lessons as normal		0900, Geography, 1h30m
