

July 2024

Dear Parents / Carer,

From September as a school we will be changing our management information system from Bromcom to Arbor. This means that the **My Child at School** [MCAS] App will no longer be used to share information about students. This will be replaced with the Arbor Parent App.

In order to ensure documents relating to your child are not lost in this move, I would suggest you take the following actions:

- Access the MCAS App.
- From the Reports section click on the title name to download
- Repeat as required

Information regarding other aspects of your child such as attendance will be transferred to Arbor.

Further information regarding the Arbor Parent App will be shared with you in September. In the meanwhile if you have any concerns / questions please use the house emails to contact school

Your sincerely

Mr D Shield

Deputy Headteacher
