### Online Masterclass - Year 11

Dear Parent/ Carer

I write to inform you of an upcoming revision session available to our Year 11 students. As members of the Bishop Wilkinson Trust, your child has been invited to attend an online masterclass to help them prepare for their upcoming exams.

The masterclass, which will run on Thursday 7<sup>th</sup> November, will focus on JB Priestley's *An Inspector Calls*, guiding students' revision through key points in the text. The session will run between 5pm-6pm to allow students time to get home, and will be delivered via Teams by a highly-skilled and experienced teacher from St Bede's Catholic School (another member of Bishop Wilkison Trust). I will also be present during the evening.

The link to the masterclass will be shared with your child in advance of the session, and to access the masterclass, your child will simply click the link. To ensure your child's online safety, cameras and microphones will be disabled.

While optional, we strongly encourage students to engage with the Masterclass. It provides an engaging new approach to the revision of one of our core texts, the marks for which account for 25% of your child's final GCSE English Literature grade.

We hope that your child will make the most of this opportunity.

Yours faithfully,

Victoria Wilson-Head  
Head of English
