Year 8 Curriculum Overview - Spring Term

Dear Families,

I hope this letter finds you well. As we begin the spring term, we would like to congratulate all our pupils on the fantastic effort and progress they made during the first term. It has been wonderful to see their hard work and enthusiasm for learning.

With the new term underway, I would like to share an overview of the subjects and topics your child will be studying over the coming weeks. At St Thomas More, we firmly believe that strong partnerships between home and school are key to pupil success, and we deeply value the role you play in supporting your child's education.

Below, you will find details of what your child will be learning in each subject this term, along with suggestions for how you can support their progress at home.

General Tips for Supporting Your Child’s Progress

- Establish a Routine: Set aside regular time each day for homework and study, ensuring a quiet space free from distractions.
- Encourage Independent Learning: Ask your child questions about what they’re learning and encourage them to research topics they find interesting.
- Stay Informed: Regularly check your child’s homework diary or online learning platforms (e.g. Google Classroom) to stay up to date with assignments and deadlines.
- Praise and Encouragement: Celebrate your child’s achievements, both big and small, to build confidence and motivation.

Parents’ Evening (Online)
