**Year 7 Curriculum Overview - Summer Term**

Dear Families,

I hope this letter finds you well. As we begin the summer term, we would like to congratulate all our pupils on the fantastic effort and progress they have made during their first two terms with us. It has been wonderful to see their hard work and enthusiasm for learning and how well they have adapted to secondary school.

With the new term underway, we are now in the Raising Achievement Plan period, a six-week preparation phase before any formal assessments. Your child has received a revision booklet to aid them in preparing for their end-of-year exams. Our teachers and tutors are providing supportive guidance in school to ensure they perform to the best of their abilities.

At St Thomas More, we value the partnership between home and school as a cornerstone of pupil success, and we are grateful for your continued support in your child’s education. Below, you will find details of what your child will be learning in each subject this term, along with suggestions for how you can support their progress at home.

**General Tips for Supporting Your Child’s Progress**

- Routine: Set aside regular time each day for homework and study, ensuring a quiet space free from distractions.
- Encourage Independent Learning: Ask your child questions about what they’re learning and encourage them to research topics they find interesting.
- Stay Informed: Regularly check your child’s homework diary or online learning platforms (e.g. Google Classroom) to stay up to date with assignments and deadlines.
- Praise and Encouragement: Celebrate your child’s achievements, both big and small, to build confidence and motivation.
