## Year 9 Curriculum Overview - Autumn Term

Dear Families,

Our Year 9 students have started the year with great energy and focus. As they move closer to the transition into Key Stage 4, it's encouraging to see them taking increasing responsibility for their learning and personal development.

This letter provides an outline of the subjects and topics your child will be covering this term. At St Thomas More, we value the partnership between home and school, and your support continues to make a real difference.

Please see below for a summary of what your child will be studying in each subject, as well as ideas for supporting their progress at home.
