HPV Vaccination Catch-Up

Dear Parent/Carer,

We would like to inform you that a catch-up session for the HPV (Human Papillomavirus) vaccination will take place in school on **03 July 2026**. This session is for students who have not yet received their HPV vaccine.

The consent form can be completed online. Please click the link below to give **consent** or **non-consent** for your child: <https://www.northumbriaimmunisations.co.uk/Forms/HPV>

When completing the form, please ensure you use the following school code: **NB137851**.

If you do not have access to the internet, please contact the Immunisation Team, who can complete the consent form with you over the phone.

Northumbria Healthcare School Aged Immunisation Team: 0191 282 8977 / 8978 / 8979

Please note: Consent forms must be completed by midday at least 48 working hours before our visit. If a form is not submitted in time, your child may not receive their vaccination during the school session.

The UK Health Security Agency recommends that all children in Year 8 are offered a single dose of the HPV vaccine to protect against HPV-related cancers.

For further information about the vaccine and the wider immunisation service, please visit our website: <https://www.northumbria.nhs.uk/our-services/childrens-services/immunisations>

If you have any questions about the online consent process or the vaccination programme, please contact the Immunisation Team using the phone numbers above.

Yours sincerely,

Northumbria Healthcare School Aged Immunisation Team
