St Thomas More Review of Community Services

Dear Families,

As a school, we are incredibly proud of the strong relationships that exist between our school and the communities we serve.

We are currently reviewing the community services that our families access and identifying any gaps in provision that may exist across our area. By working collaboratively with one another and with our community partners, we hope to ensure that the support available truly reflects the needs of the families we serve.

Your views are extremely important to us and will help shape the future work of our school. We would therefore be very grateful if you could take a few minutes to complete the survey below. The information you provide will help us identify what is working well, where additional support may be needed, and how we can work together more effectively to meet the needs of our community.
